Sports Annual Report for the year 2018-19

ARKA – The Green School under Shree Ponram Educational Trust, and in CBSE stream

Good morning one and all, a hearty and warm welcome to the dignitaries on the dais. It's a great pleasure to present the sports annual report 2018-2019.

Objectives and Activities in ARKA:

Objectives:

To advance for the public benefit, green education in particular, without prejudice, having a balanced curriculum in sports and academia, under CBSE stream.

To promote, for the benefit of individuals, living in Andoor and the surrounding area, who have need by reason, to bring more professionals and learned community by being in green life.

Strategies:

Providing education which helps all pupils to achieve their full potential in sports ground.

Encouraging respect for moral and spiritual values which reflect sustainable, green life style in sports.

Helping all pupils grow into mature, self-disciplined citizens and leaders of green society.

We expect to achieve these aims in partnership with parents and care takers together with the community at large –The ARKA.

Activities 2013 – 2019

2013 – 2014 : Learning the expectation of society, having teaching and learning with play based real time activities. We had a total number of 49 students. During this time we gave importance for academia being they are young children but the sportive behavior was developed having minor games.

2014 – 2015 : Entered into major games creating an understanding of the way to play with a student total of 143. In these years the drive started to develop a ground to have sports in our school and by that the mini-gym was made along with the basketball court.

2015 – 2016 : Achievement in concept learning was made with 254 students. Our children wrote sports Olympiad exam and two of our children got international rank and zonal 2nd and 3rd rank.

2016 – 2017: Modulation of methods were made to make the 306 students to be in hold with the play skills. We proceeded with the ground work in teaching the skills of different major games. By this one of our student took part in district level athletics and felt the need to practice hard.

2017 – 2018: Implementation of study techniques so to enhance all the kids to be an expert in possible sports in our ground with 381 students

2018 – 2019: Vision for the current academic year is "Ease Sports" through inclination, acquisition and intellection. This has been achieved by forming teams in tennis cricket and volley ball and taking them in got opportunities. With the members of the team the aura has been created among the children and within the society. Now the vibrancy has taken to all 353 students getting the inspiration form the students who played in national level and regional level.

2019 – 2020: Vision for the coming academic year is "Well roundedness and Ease few more sports" through inquisitiveness, innovation and resilient. This we have planned by having archery, skating and kabaddi. The activities cover skill development in these games in support with the respected dignitaries on dais.
